DEVELOPER/MENTOR WANTED

Do you enjoy working in the IT field and helping others with IT-related tasks? Then level these skills up! This is an opportunity where you can have a positive impact on people's lives!

IT'S A MUST TO HAVE:

- Software development experience in C#, Java or JavaScript
- Web development experience
- Version control system (Git) knowledge
- Relational database (SQL) knowledge

WHAT YOU CAN EXPECT IN RETURN:

- Being involved in changing our students' career (and life!) while enhancing your IT skills
- Enthusiastic and inspiring people in the team
- New challenges and interesting tasks
- Holacracy-based organization

Apply now!

Send your CV and a few words about your motivation to jobs@greenfoxacademy.com. Hope to meet you soon!
